

K-LOVE is a valuable radio for our community, it puts us in touch with 24 hr Christian music and spritual support. We have no other radio of this type in our community if we did not have we would be lost and with out spiritual guidance on our radio. Freedom of expression to its max is having a christian radio in our community. It is in the best interest of our community to have such a radio as we all benefit from positive music, messages and news stories. We have way too many commercial stations that only give us sad negative new we need positive and uplifting messages on a daily basis and this is what K-LOVE provides. KLOVE comes to us throug 100.9 100.5 and 105.5 in Tucson adn Phx Arizona thank you Joy Tucker
